Dear Fire Chief Jeff Isaacs,

On behalf of the Pacific Palisades community and all of Los Angeles Council District 11, I want to extend my heartfelt gratitude to you and your department for your extraordinary efforts in responding to the Palisades Fire earlier this year.

In a time of crisis, your leadership and the bravery of your team made a profound difference. Your rapid response, skill, and selfless dedication helped protect lives, homes, and our cherished natural environment. The people of Los Angeles, and especially the residents of the Palisades, will not forget your assistance during the worst disaster our city has ever faced.

Your willingness to step into danger to safeguard our community embodies the very best of public service. In the face of fear and uncertainty, you brought reassurance and hope.

Thank you for your partnership, your heroism, and your unwavering commitment to keeping our neighborhoods safe. It is deeply appreciated.

With sincere appreciation,
